TERRE HILL BOROUGH POLLUTANT REDUCTION PLAN ANNOUNCEMENT

Terre Hill Borough has created a Pollutant Reduction Plan (PRP) to meet the requirements of the Municipal Separate Storm Sewer (MS4) permit with the PA Department of Environmental Protection (DEP). The PRP includes estimates of the existing pollutants that are discharged to the streams within the Borough and the reductions that are mandated by DEP. The plan identifies proposed stormwater improvements needed to meet these pollutant requirements. Possible funding sources and ongoing operation and maintenance responsibilities for the proposed stormwater improvements are included in the PRP. The public review period of Terre Hill PRP will begin on February 13, 2024 and will continue until March 14, 2024. A draft of the PRP will be available for public inspection at Borough Hall located at 300 Broad Street, Terre Hill, PA, Monday through Thursday, 9:00 AM to Noon, 2:00 PM to 4:00 PM. A copy is also available at www.terrehillboro.com. Comments must be submitted in writing by March 14, 2024 to Borough Hall (Attn: Borough Secretary) PO Box 250, Terre Hill, PA 17581 or by email to secretary@terrehillboro.com and must include commentors name and address. Comments can also be made in person at the Borough Council meeting on February 13, 2024, at Borough Hall at 7:00 PM.
