NOTES / COMMENTS

Note 1 - The financial statements are prepared on a regulatory basis of accounting within the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania (DCED), which is a basis of accounting other than accounting principles generally accepted in the United States of America. As permitted by the DCED, the Borough prepares its financial statements on the modified cash basis of accounting. Consequently, revenues are recognized when received rather than when earned and expenditures are recognized when paid rather than when the liability is incurred.

Note 2 – Nonuniform Pension Plan: The Borough has a defined benefit pension plan that is not included within this report since it does not meet the definition of a pension trust fund. The Borough contributed $17,862 to this plan during 2020.
